Dear Brothers & Sisters,

We hope this letter finds you well! Spring is in the air and new life and new beginnings are taking place all around us. The men's center is full along with the transitional house. We are out and about in the community helping and sharing the love of God. This new season is so exciting; we have several young students from the age of 19 to 22 years old, eager to change their lives. We continue to remind ourselves that drug & alcohol addiction, has no boundaries, race, religion, age, rich or poor. We are in a WAR against this deadly battle. We ask that you continue to pray and support the men's center, because when you do you are joining in with us to restore broken lives, reunite sons back to their parents, fathers back to their children and clean & sober citizens back to their community.

We know that this economy has taken a toll on everyone, but if we all commit to \$1.00, \$5.00, or even \$20.00 per month, no matter how big or small it WILL make a difference and help change lives!

Again, we want to thank you, we know our prayer partners and faithful supporters are at the core of these amazing changes. If you are not a monthly supporter we would like you to consider being one and help us in this war that is destroying our community, friends and families.

Warmest Regards,

James & Becky Harrison
Director & Pastoral Care
